The Engineer-in-Chief, I&PH,  
U.S. Club, HP, Shimla-1.

Dated : Shimla-2. the 2nd September, 2011.

**Subject : Processing the DPRs of Lift Irrigation and Lift Drinking Water Supply Schemes for NABARD funding.**

Sir,

It has been decided by the State Government that the following two certificates may be taken from the concerned Executive Engineers (IPH) in respect of Lift Irrigation Schemes and Lift Drinking Water Supply Schemes being funded through NABARD under RIDF programme :-

- (i) "It is certified that entire available flow Irrigation/Drinking Water potential has fully been utilized/ integrated with the proposed Lift Irrigation/Lift Drinking Supply Scheme in the area. There is no alternative other than the proposed Lift Irrigation/Lift Drinking Water Supply in the proposed area to provide Irrigation/Drinking Water facility to the local public".
- (ii) "It is also certified that energy consumption in the proposed Lift Irrigation/Lift Drinking Water Supply Scheme has been kept at the bare minimum required level. Presently, there is no machinery/equipment available to reduce the proposed energy requirement for this Lift Irrigation/Lift Drinking Water Supply Scheme".

2. You are, therefore, requested to forward the DPRs of Lift Irrigation and Lift Drinking Water Supply Schemes after attaching the above mentioned two certificates for funding under RIDF programme.

3. This has the approval of Pr. Secretary (Planning) to the Government of Himachal Pradesh.

Yours faithfully,
