Subject:-

Revised Guidelines for posing the DPRs of MLA Priority schemes for NABARD loan assistance.

Sir,

I am directed to inform that the maximum limit for sanction of schemes under NABARD sponsored RIDF programme was Rs. 100 crore per constituency, on cumulative basis from 1995-96 to 2012-13 under RIDF programme. State government has availed NABARD loan assistance of Rs. 3949 crore approximately during the above mentioned period. Therefore, average sanction per constituency (except Shimla Urban) per year for above said period was around Rs. 3.27 crore. The de-limitation of Assembly Constituencies has taken place and 12th Vidhan Sabha has been constituted on the basis of delimitation of Assembly Constituencies. Therefore, the State Government has proposed new limit for posing the DPRs of Roads & Bridges, Minor Irrigation and Rural Water Supply Schemes of MLA priority schemes for NABARD funding as under:-

i) The per constituency limit for posing the DPRs to NABARD funding has been fixed at Rs. <u>8.00</u> crore per annum from current financial year 2014-15 and Rs. <u>32.00</u> crore for the remaining four years period of 12th Vidhan Sabha to ensure balanced development and equitable distribution of NABARD loan assistance.

- For 2014-15 to 2017-18 (four years) as and when the posing of DPRs of a constituency crosses the limit of Rs. 32.00 crore, the DPRs of that constituency will not be posed to NABARD funding and the department should pose the remaining DPRs of MLA priorities of such constituencies for funding under central sector programmes.
- iii) In case of Lift Irrigation Schemes, public / beneficiaries may contribute 5% energy charges so as to share some burden of annual energy charges of the scheme. IPH Department will ensure to give undertaking in this regard and attach the same with the DPR of the Project.
- iv) Implementing departments will ensure the utilization of minimum 80% of the total LOC, issued by the Finance Department for RIDF projects, on the ongoing RIDF projects and not more than 20% funds will be utilized on the new projects.

Yours faithfully,

Adviser (Planning) HP, Shimla-2.
