### HP State Innovation Award Scheme for recognizing best innovations

**HP State Innovation Award Scheme** was started in 2014-15 to recognize and encourage local & creative talent by providing financial incentives for the best innovation practices being adopted by them at various sector levels. The Scheme recognizes the efforts of individuals/institutes in the seven identified sectors (initially six), each with a specific Nodal Department for scrutinizing & recommending one best sectoral proposal for award through concerned sectoral committee to be constituted by the Administrative Secretary of Nodal Department under his/her chairmanship.

In the latest meeting of State Innovation Council held in May, 2018, it was also decided to widen the scope of Tourism sector by including non-freight transport sector into the Tourism sector and to include one more sector viz. Water Resources & Waste Management for inviting nominations under said award scheme. As of now, identified seven sectors with concerned Nodal Departments are as under:

<b>Sr. No.</b>	<b>Sector</b>	<b>Nodal Department</b>
<b>1</b>	<b>2</b>	<b>3</b>
1	Agriculture/Horticulture	Agriculture
2	Academic	Technical Education
3	Food Processing & Manufacturing	Industries
4	Tourism	Tourism
5	Social Development	Rural Development
6	Government	Administrative Reforms
7	Water Resources & Waste Management	Irrigation & Public Health (IPH)
