a)NA.....

9. How the innovation project has benefitted the public? (Max. 100 words)

a) The application was for departmental use.

10. How the innovation project has benefitted the department? (Two or three sentences against each of the following).

i) The Trained persons are using their experience in newly launched Pashudhan Application.

i) Convenience for clients (minimum three examples).

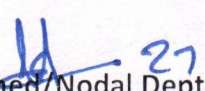

.....NA.....

11. Further steps taken by the department to continue with the Project activities/innovative ideas?

Since, a holistic new web portal i.e. INAPH portal stands launched by the Government of India where NAIP and NADCP dashboard have been made available therein, is presently being used by Animal Husbandry department in place of the "Online Inventory Application for Medicines/Semen Straws". This new INAPH portal has facility to record all activities performed on the animal, therefore, the department in order to avoid duplication of work and labour has adopted INAPH portal instead, being a national initiative and need of the hour, please.

12. Suggestion/Comments of the department on State Innovation Fund Scheme?
